

Waiver and NMS Decision Process

February 25, 2010

Group fighter/equestrian practices and demos with fighting/equestrian require only the combatants (riders/handlers) and marshals to sign waivers

Events with equestrian require only the riders, handlers and marshals to sign the EQ waiver

Waiver clarifications
 "Blue Card" members of any age do not need to re-sign a waiver.
 Minors (under the age of 18) must have a minor waiver even if fighting as an "adult".
 Off-calendar events (such as group revels) must have waivers even if no fighting happens at the event.
